W57 NEWSLETTER

JANUARY & FEBRUARY 2016

Please remember that should you be absent from work, you must follow contact procedures at least **ONE HOUR** before your start time (ie before 5.00 for a 6.00 start), otherwise sick pay may be withheld. Should your illness or injury be of a minor nature, it may be that your Department Leader/Store Manager could provide you with alternative duties or a different work location until your illness or injury improves, thus avoiding an absence.

Should you require representation, please approach your local representative in the first instance, or call the office on (01909) 505589. Should you be facing a disciplinary hearing or raising a grievance, we ask that you inform your GMB rep as soon as possible.

Our branch has limited funds available for sponsorships/donations. Please speak to your GMB rep for details.

Please continue to fill in hazard/near miss forms where appropriate. These are invaluable to both GMB and Wilko, and should help to prevent further occurrences.
